DATE MAILED: 01/12/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

Advisory Action	Application No. 10/038,642	Applicant(s) CONWAY ET AL.
	Examiner Patricia L. Nordmeyer	Art Unit 1772
--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --		
<p>THE REPLY FILED 23 December 2004 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE. Therefore, further action by the applicant is required to avoid abandonment of this application. A proper reply to a final rejection under 37 CFR 1.113 may <u>only</u> be either: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114.</p>		
<u>PERIOD FOR REPLY</u> [check either a) or b)]		
<p>a) <input checked="" type="checkbox"/> The period for reply expires <u>3</u> months from the mailing date of the final rejection.</p> <p>b) <input type="checkbox"/> The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection.</p> <p style="text-align: center;">ONLY CHECK THIS BOX WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).</p>		
<p>Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>		
<p>1. <input checked="" type="checkbox"/> A Notice of Appeal was filed on <u>24 November 2004</u>. Appellant's Brief must be filed within the period set forth in 37 CFR 1.192(a), or any extension thereof (37 CFR 1.191(d)), to avoid dismissal of the appeal.</p>		
<p>2. <input checked="" type="checkbox"/> The proposed amendment(s) will not be entered because:</p>		
<p>(a) <input checked="" type="checkbox"/> they raise new issues that would require further consideration and/or search (see NOTE below);</p>		
<p>(b) <input type="checkbox"/> they raise the issue of new matter (see Note below);</p>		
<p>(c) <input type="checkbox"/> they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or</p>		
<p>(d) <input type="checkbox"/> they present additional claims without canceling a corresponding number of finally rejected claims.</p>		
<p>NOTE: <u>See attached sheet.</u></p>		
<p>3. <input type="checkbox"/> Applicant's reply has overcome the following rejection(s): _____.</p>		
<p>4. <input type="checkbox"/> Newly proposed or amended claim(s) _____ would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).</p>		
<p>5. <input checked="" type="checkbox"/> The a)<input type="checkbox"/> affidavit, b)<input type="checkbox"/> exhibit, or c)<input checked="" type="checkbox"/> request for reconsideration has been considered but does NOT place the application in condition for allowance because: <u>See attached sheet.</u></p>		
<p>6. <input type="checkbox"/> The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.</p>		
<p>7. <input checked="" type="checkbox"/> For purposes of Appeal, the proposed amendment(s) a)<input checked="" type="checkbox"/> will not be entered or b)<input type="checkbox"/> will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.</p>		
<p>The status of the claim(s) is (or will be) as follows:</p>		
<p>Claim(s) allowed: <u>None</u>.</p>		
<p>Claim(s) objected to: <u>None</u>.</p>		
<p>Claim(s) rejected: <u>1-22 and 46-48</u>.</p>		
<p>Claim(s) withdrawn from consideration: <u>None</u>.</p>		
<p>8. <input type="checkbox"/> The drawing correction filed on _____ is a)<input type="checkbox"/> approved or b)<input type="checkbox"/> disapproved by the Examiner.</p>		
<p>9. <input checked="" type="checkbox"/> Note the attached Information Disclosure Statement(s)(PTO-1449) Paper No(s). <u>2/17/04</u>.</p>		
<p>10. <input type="checkbox"/> Other: _____</p>		

DETAILED ACTION
Advisory Action

Continuation of #2: Applicant has amended independent claims 1, 18 and 46 by adding the proposed new limitation “birefringent”, which requires a new search and/or further consideration. Applicant has also added new claims 49, 50 and 51 directed towards “said optical film is a film from the group consisting of infrared reflecting films, polarized films, non-polarized films, multi-layer films, colored films, tinted films and decorative”, which requires a new search and further consideration.

Continuation of #5: The application is not placed in condition for allowance because: Applicant’s arguments are drawn to a proposed claim amendment, which is not being entered. Thus, the arguments are not commensurate in scope with the claims. Specifically, the applicant’s arguments drawn to the limitation “birefringent” and the added claims 49 – 51 have not been entered. Therefore, the arguments are not commensurate in scope with the claims of record. Applicant’s arguments of record are not found persuasive because they rely on the non-entered amendments and claims. Applicant is not referred back to the final rejection of record in the paper dated August 25, 2004.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Patricia L. Nordmeyer whose telephone number is (571) 272-

Art Unit: 1772

1496. The examiner can normally be reached on Mon.-Thurs. from 7:00-4:30 & alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Y. Pyon can be reached on (571) 272-1498. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
